

John Doe

Gender: Male | Phone: 081221212534 | Email: johndoe@mail.com

Profile I am a recent graduate of Economics with a strong interest in programming.

Work Experience

- PT. ABC: Front-End Developer (Part-Time) | Jan 2020 - Dec 2022

Education

- Universitas Indonesia | 2018 - 2022
 - Major: Ilmu Ekonomi | Degree: S1

Work Experience Description I excelled as a Front-End Developer at PT. ABC, having been part of numerous projects on modern web development practices. I had the chance to work with a wide array of technologies from front-end frameworks and libraries to back-end services, databases and APIs.

Major Description I practiced analytical skills that enabled me to solve financial problems. I was familiarized with corporate finance, financial analysis, and other financial topics in order to be able to become a successful economics graduate.

Skills

- Web Development Technologies
- Software Engineering Principles
- Database Design & Management
- Problem-Solving & Analytical Skills
- Corporate Finance & Financial Analysis

Summary A recent economics graduate, passionate and highly-motivated in programming. Experienced in web development technologies, software engineering, database design & management, and problem-solving & analytical skills. I have a strong interest in applying software engineering principles to build a unique product.
